

# Just what you don't want on the day of your surgery... Traffic!

Stuck in traffic and anxious about getting to your surgery on time? Or tired after your operation and just want to get home?

Avoid the city traffic and get your day surgery done at Rodney Surgical. It's a world-class hospital with fully qualified, experienced, caring staff and surgeons, right here in Warkworth.

And because we're your community hospital, you can get

a taxi home, or your driver can drop you off and go home while you have your surgery. We will call when you are ready to be collected.

We perform all types of day stay operations; endoscopy, cataracts, hand surgery, mole mapping, hernia repair, varicose veins, and general plastic surgery, just to name a few.

**Ask your GP – Can it be done at Rodney Surgical?**
